COMPANY OVERVIEW

Waypoint Compliance Advisory is an SBA-certified Service-Disabled Veteran-Owned Small Business and registered Florida MyFloridaMarketPlace vendor delivering cybersecurity compliance services to state agencies, counties, municipalities, school districts, and public health programs. As a certified Florida Veteran Business Enterprise, we are set-aside eligible for state procurement. 21+ years of federal and commercial security experience, applied to public sector budgets and timelines.

CORE COMPETENCIES

NIST CSF 2.0 Assessment & Roadmap: Cybersecurity maturity baseline against NIST CSF 2.0, including the Govern function added in the 2.0 release, with a prioritized, budget-aware remediation roadmap suitable for legislative and board reporting.

Security Program Development: Build or mature an agency security program end to end: governance structure, policies and procedures, control implementation, and workforce training.

HIPAA for State Health Programs: Security risk assessments and Security Rule compliance for Medicaid, county health departments, and state-run healthcare and behavioral health programs.

Incident Response & Continuity: IR plans, tabletop exercises, ransomware preparedness, and continuity of operations planning for public sector environments and critical citizen services.

Fractional vCISO — Public Sector: Executive security leadership for agencies that need strategic direction, procurement support, and compliance oversight without a full-time CISO line item.

PAST PERFORMANCE

HHS Office of Inspector General — Lead Security Engineer embedded across 13 production teams. NIST RMF, FISMA ATO maintenance, HIPAA Security Rule implementation for federal healthcare systems.

→ 60% AWS cost reduction while strengthening security posture. Zero compliance findings across audit cycles.

U.S. Department of Homeland Security / USCIS — Security architecture and access control for federal identity management systems. NIST 800-53 Rev 5 control mapping, FedRAMP boundary scoping, and ATO documentation.

→ Delivered ATO-ready documentation for cloud-hosted IAM components supporting USCIS mission systems.

Corporate Tools / NW Registered Agent — Security Engineering Manager. AI-powered security automation, CI/CD security review, SOC 2 Type 1 readiness, and PCI DSS v4.0.1 compliance environment.

→ 700+ accounts analyzed across 11 fraud investigations. Automated evidence collection reduced audit prep time significantly.

United Launch Alliance (Vulcan Rocket Program) — Cybersecurity Architect leading 28-person team. First-ever CNSSI 1253 assessment and concurrent DCMA/ISO recertification for national security space program.

→ Zero audit findings. Established repeatable evidence and policy management program adopted program-wide.

U.S. Navy — Combat Systems (2000–2010) — Fire Controlman, Data Systems Technician, Combat Systems Supply Officer. \$22M+ defense procurement management. Security clearance holder.

→ 10 years service. DoD mission, procurement, and federal compliance culture expertise.

WHY WAYPOINT

Florida Procurement Ready: Registered MyFloridaMarketPlace vendor and certified Florida Veteran Business Enterprise / Certified Business Enterprise. Set-aside eligible and ready to contract.

Federal Rigor, Public Sector Budgets: HHS OIG and DHS/USCIS experience brought to state and local agencies, delivering federal-grade assessment quality scoped and priced for public sector realities.

Local Presence: Based in DeLand, Florida. On-site availability for Central Florida agencies, districts, and municipalities without travel line items.

Builder, Not Just Auditor: Delivers automated evidence systems, policy libraries, and monitoring tooling so small agency IT teams can sustain compliance without added headcount.

TEAMING & ENGAGEMENT

Who We Serve: State agencies, county and municipal government, school districts and higher education, public health and Medicaid programs, utilities and special districts.

Subcontracting & Teaming: Available to state IT primes and integrators as a specialized security and compliance subcontractor. VBE/CBE status supports diversity and veteran participation requirements.

Engagement Model: Fixed-price NIST CSF 2.0 assessments and security program builds. Fractional vCISO retainers (\$4K–\$8K/month). Purchasable through MFMP and state term contract vehicles.

Grant & Funding Support: Assessment documentation structured to support State and Local Cybersecurity Grant Program applications and other public sector cybersecurity funding requests.
